

CLUB MANAGER: MEMBERS FUNCTION

The “Members Function” displays a list of approved members in your club and allows you to access their contact, club, and project information.

1. Log into 4-H CONNECT.
2. After logging in to “4-H Connect,” click the “Members” icon on the “Dashboard.”
3. A list of members who have been approved will be displayed.
4. Click “Edit” to the right of the member’s name to view their contact, club, and project information.
5. Click “Close” at the bottom of the screen to return to the member list.
