Early Enrollment: Aug. 15 – Oct. 31st - \$25.00 Fee per member

Late Enrollment: Starting Nov. 1st - \$30.00 Fee per member

4-H Enrollment Information

4HOnline Rollover Dates: 4HOnline will close August 12-14, 2022 to upgrade and rollover to the new 4-H year. It will reopen on Monday, August 15 to begin the new 4-H year. Remember, those enrolling as 3rd graders should wait until September 1st.

Step-by-Step Enrollment Guides:

Membership Status: Membership is not active until a member's registration is entered into 4HOnline and approved by the County Office. A youth participates in 4-H by belonging to a chartered 4-H club or county program or any recognized unit of membership in the county where he/she resides. *Membership cannot be held simultaneously in more than one county or state, but membership may change with residence.

Cross County Transfers: A Cross County Transfer is the process in which a 4-H member/family needs to participate in an adjacent county that they do not currently reside in/or attend school in. The family should complete a **“Request to Transfer Membership Form”** and submit to the County Extension Office in which the 4-H member desires to be a member. The form must be submitted a minimum of 30 days prior to a membership transfer.

Volunteer Enrollment Updates

4-H Adult volunteers must be at least 18 years old – or 21 years old to chaperone overnight trips – and pass a criminal background check outlined in the Extension Volunteer Standards. Additionally, 4-H adult volunteers must enroll on 4HOnline, pay the annual volunteer application fee (\$10), and complete 2 online trainings.

NEW! Sterling Volunteer Background Checks will be integrated with 4HOnline.

What does this mean? When a 4-H adult volunteer enrolls, they will be prompted to open a new internet tab directing them to Sterling when he/she reaches the background check (Screening) portion. This will occur **AFTER** submitting the payment method. Volunteers will still need to complete the mandatory Child Protection & 4-H Volunteer Orientation trainings that follow the payment and Screening portion. Volunteer trainings are good for 2 years.

Each individual volunteer who enrolls will now need a unique email address. The login email address is the Family email address. Only one Adult Member may use the Family email address as their individual Member email address. Any additional volunteers in a Family profile need a unique Member email address to complete their screening.

Sterling's online form will collect the private, personal information for the background check. It will NOT be stored in 4H Online. Screening will also begin immediately with this online form. [See summary video.](#)

Texas Farm Bureau's Clover Cash Grant Program was created to support Texas 4-H programs at the county, district and state levels. These programs should strive to help students understand the importance of advocating for agriculture. Students should also gain an appreciation and better understanding of where their food, fuel and fiber come from. Qualifying projects should provide a hands-on experience for all members involved.

AgriLife Extension Agents, District 4-H Specialists, Texas 4-H staff or adult leaders of any county, district or state level 4-H program are eligible to apply. Apply by August 15. [Click here to learn more and apply.](#)
